## 2018 Appliance Rebate Program

When you purchase an ENERGY STAR home appliance you can receive rebates, reduce energy consumption and help lower your electric bill.

### What is ENERGY STAR?

ENERGY STAR is the symbol for energy efficiency, as designated by the U.S. Department of Energy (DOE) and the U.S. Environmental Protection Agency (EPA). The ENERGY STAR label helps consumers identify products that are more efficient than comparable models. The yellow ENERGY STAR EnergyGuide Label can be found on your appliances, computer equipment, photocopiers, home electronics, windows, doors and even on your house. Visit [www.energystar.gov](http://www.energystar.gov) for more information on all the ENERGY STAR programs.

### How do I qualify for rebates from NAED?

To qualify for a rebate, you must have an account with NAED in good standing, you must purchase a NEW appliance from the list below with the yellow ENERGY STAR Energy Guide Label, and it must be installed within the NAED service area before the end of the year.
