## **Temporary Electric Service**

**Temporary Electric Service**  
is available from  
North Attleborough Electric Department  
for short term projects and  
singular events.

## **Temporary Electric Service**

### Description

Temporary Electric Service is available to North Attleborough Electric Department customers during construction or renovation of property, for an outdoor exhibit or function, and for other uses.

### **How Does Temporary Electric Service Work?**

Temporary Electric Service meets the needs of many homeowners, contractors and those who plan temporary outdoor events. It is electric service installed and maintained by North Attleborough Electric Department. You will be charged the current service price for installation and billed monthly for electric consumption at the service address.

### **How Do I Order Temporary Electric Service?**

You can order Temporary Electric Service by coming into our office and completing a Service Request Form and the Temporary Service Form. You will need to provide information including your name and address, billing address and service address plus your status as a contractor or homeowner.

### **Next Step**

If you have questions regarding Temporary Electric Service call our Customer Service Department at 508.643.6300 during business hours. Or visit our Operations Center at 275 Landry Avenue, North Attleborough.

### **Business Hours:**

**Monday through Friday, 8:00 a.m. to 4:00 p.m.; Thursday evenings September through June until 5:00 p.m.**
