JOB POSTING-INTERNAL ONLY

The North Attleborough Electric Department, a municipal electric utility with approximately 13,000 customer meters, is seeking qualified candidates for the position of:

POSITION TITLE:

OPERATIONS DIVISION MANAGER

Operations Division Manager is responsible for the planning, implementation of engineering designs, monitoring and oversight of the overall operation of NAED's electrical distribution system and substations. Directs, supervises and oversees the activities and personnel of line, substation, meter and stock/maintenance as required. As appropriate, select staff and provide training and development. Responsible for annually developing and submitting for approval and implementation a Capital Improvement Program/Budget for the above departments.

Bachelor's Degree in Electrical Engineering or equivalent or seven to ten years related experience and/or training or equivalent combination of education and experience. Experience in public utility management and practices, particularly public power operations is preferred. Participates in professional associations.

Annual salary commensurate with qualifications and experience.

POSTING DATE:
